

Vacuum gripper

85/60 kg tiltable

A gripper that, when integrated in Quick-Lift System™, meets the highest standards of ergonomics, working environment, **safety and efficiency.**

Unique integrated mechanical, electrical, pneumatic swivel enables continuous rotation of gripper.

Easy to use, thanks to outstanding responsiveness, regardless of load weight.

Exceptional safety is achieved using our intelligent control systems.

High cost efficiency through high reliability and long durability.

A Strong solution for quick and easy handling.
